The AWEA Operations & Maintenance and Safety Conference is where the industry comes together to recognize unique challenges and identify solutions in these areas. As the wind energy industry continues to expand, so does the need for an evolving approach to operating the nation’s growing number of wind projects. As a sponsor, you’ll have opportunities to forge essential partnerships for new deals, showcase your company’s products, services, and expertise, and connect with key decision-makers and thought leaders in renewable energy.

**Who attends?**
